We are Ralph and Amy Puckett. We have been married for 17 years, and have four beautiful daughters ages 3-12 that we have been home schooling for 5 years.

We love the PCHEA group. From Mom's nights to soccer to geography Fairs. There is something for everyone. The discussions that occur within the group are wonderful, and so thought provoking. From encouraging a mom to stay the course to discussing books and recipes! We have learned so much from all of you.

After much prayer, we have decided that we would like to step in as co-leaders with Will and Nancy, if you'll have us. We would love to continue the course that PCHEA is on, and keep it going. We feel so much support from this group, and it keeps us going with homeschooling. It is so nice to know that there are so many other families in Pottawatomie County going down this same path. Some are further down the path, and others are just beginning, but we all come together to form an amazing group.

We'd love to be part of the leadership of this amazing group

Hello fellow PCHEAs. My name is Sarah Montgomery. I am a homeschooling wife and mother of three children (7,4,and 2) and my family has been a part of PCHEA for the last 3 or 4 years. This organization has been such a blessing to us during that time! There are so many opportunities and helpful people to connect with through this group.

I am a home school graduate myself, and no such organization was available to my parents. Consequently, I have a deep respect for my parent's lonely efforts to educate us without a supportive community, and also a hearty appreciation for all that PCHEA has to offer.

Many organizations run on the strength of a few active people, and when those people are gone everything quickly falls apart. But it doesn't have to be that way. If everyone will do just one thing, then no one person will have to do everything.

Last year I helped plan the Geography Fair. I was really intimidated by the project, but it turned out to be so much fun and a big blessing to my family! We are looking forward to participating in it again this year, with an exhibit of our own.

I am interested in serving as the PCHEA treasurer for the 2011-2013 term. I am entrusted with the "treasure/accountant" role in our home, so I have past experience in balancing a checkbook, paying bills, and keeping financial records. I guess you would have to ask my husband for an evaluation of my ability to fulfill this role!

I hope to be a part of PCHEA for many years, and I look forward to seeing it grow and flourish. Thank you for allowing me the opportunity to serve!

Sincerely,
Sarah Montgomery
